OVERALL POLICY STATEMENT

1.1 OVERALL POLICY STATEMENT

The following statement describes the overall objectives and policies of the Sticking Chemical Distribution Institute (CDI). These are approved by the Board of CDI and signed, on their behalf, by the Chairman. All participants, employees and accredited inspectors are expected to adhere to these at all times in the execution of their work for CDI. The combined statement is prominently displayed within the CDI offices and made known to all participants.

Vision: Driven by the expertise of the world’s leading chemical manufacturers CDI sets out to be the global source for data, information and advice specific to marine transportation and storage of chemical products, whether in bulk or packaged form.

1.2 QUALITY OBJECTIVES

- To meet customers’ requirements for providing high-quality data, and information and advice, industry best practices and international legislation for marine transportation and storage of chemical products.
- To improve continuously the way we operate.
- To measure our performance and provide meaningful statistical evidence of our progress.

1.2.1 QUALITY POLICIES

- To meet customer’s quality demands consistently.
- To manage CDI in a manner meeting the current ISO 9001:2015 Standard.
- To implement and maintain awareness of and participation in meeting the quality objectives.
- To keep proper records to demonstrate effectiveness of the quality system.

1.3 THE BUSINESS OBJECTIVES

- To constantly improve the safety, security and quality performance of marine transportation and storage for the chemical industry.
- Through cooperation with industry and centres of education, drive the development of industry best practices in marine transportation and storage of chemical products.
- To provide information and advice on industry best practices and international legislation for marine transportation and storage of chemical products to customers and stakeholders.
- To monitor current and future international legislation and provide advice, knowledge and understanding of the chemical industry to the legislators.
- To provide chemical companies with cost-effective systems for risk assessment, thus assisting them in compliance with responsible Care and the Code of Distribution Management Practice.
- To provide a single source of reliable and consistent inspection data which chemical companies can use with confidence.
- To provide the chemical industry with an independent organization for training, qualification and accreditation of inspectors.
- Development and maintenance of databases so that inspection and risk assessment information can be processed.

1.3.1 THE BUSINESS POLICIES

- CDI will promote information and advice specific to safe marine transportation and storage of chemical products.
- Through awareness and feedback, CDI will monitor legislation specific to chemical transportation and storage, representing industry, expertise and knowledge accessible through CDI will be provided to the legislators.
- CDI will ensure that reliable and accurate inspection schemes are maintained. Inspection protocols will be constantly updated in line with legislation, accepted international standards and technology.
- With user-friendliness in mind, CDI will constantly improve the interactive databases for input, extraction and interpretation of data and information.
- Meeting the procedures for accreditation, a sufficient number of inspections will be maintained to provide a global coverage for ships, terminals and supply chain inspection.
- CDI will operate within the budgetary limits set by the Board. Surplus capital will be used to reduce the charges to participants.
- Through evaluation of experience feedback and customer comment, CDI will strive for continuous quality improvement.
- Extend the services of CDI beyond the chemical industry wherever assistance and advice may be required, thus avoiding frustration towards any 3rd party.

1.4 SAFETY, SECURITY, HEALTH AND ENVIRONMENT OBJECTIVES

- To ensure that CDI’s employees and the inspectors conduct their activities in ways that are safe and secure for personnel, ships, terminals, warehouses, offices and the environment.
- To ensure that the officer administration function contributes to a pollution-free environment.

1.4.1 SAFETY, SECURITY, HEALTH AND ENVIRONMENT POLICIES
